Extraordinary People

1968 was a time of great change and new ideas in our country. The young people of America were fed up with the status quo and longed to make a real difference in the world. In many ways, the words of Robert Kennedy quoting George Bernard Shaw during the '68 presidential campaign—"Some men see things as they are and ask, 'Why?' I dream things that never were and say, 'Why not?'"—epitomized what the youth of America were feeling. Here at Marian High School the same spirit of optimism and accomplishment still exists. Many of our students took the chance to dream and discovered the amazing things they could achieve. Students excelled in sports, with many teams winning sectional and regional championships. In academics, Marian students again scored one of the highest ISTEP averages in the state. The senior class especially stood out, with three students scoring higher than 1500 on the SAT and two National Merit Finalists. Marian students showed special talent in many other areas as well, including the arts and service. While each person's time in high school is short, the atmosphere of optimism coupled with the significant achievements will last our students a lifetime.

Homecoming Fest

Homecoming 2000 was a memorable evening for all involved. The week before the game, the Student Council helped everyone get in the spirit by planning theme dress days. The football team gave a valiant effort against Wawasee, but was unable to pull off a victory despite their best attempts. Each class showed off the colorful banners they made, and seniors Rick Sotebeer and Gina Simeri were crowned the King and Queen. Homecoming 2000 truly was a great night for Knights.

Winter Frolic

Snowflakes sparkled but the climate was just the opposite of icy as the Semi-Formal dance unfolded at the Century Center in January. With the theme of "Winter Wonderland," the occasion was a blend of brightly colored gowns, dapper suits, and great music. Organized by the Girls' Tennis Team, the Semi-Formal was a terrific way to chase the winter blues and trade snowdrifts for a warm circle of friends and fun.

Spirit Saturation Point

Everything kicked into high gear as Spirit Week 2001 approached. The wild and wacky hall decorations layered on by each class in competition with their fellows signalled a week of explosive energy and fun. Special dress days such as clash day, retro day, and class color day added to the anticipation. The culmination of the excitement was the announcement of the Spirit Court starring: seniors Mia Novak, Bob Masters, Kristen Pyszka, Collin Hanson, Erin McPhilamy, D. J. Fitzpatrick, Max Asterlin, and Jackie Coglianesse; juniors Katie Krisch and Danny Woodka; sophomores Ann Verwilst and Ryan Gurson; and freshmen Kelly Strom and Colin Ethier.

The Artistic Touch

The Annual Fine Arts Festival held in the spring was a showcase of student talent in a wide range of areas such as music, sculpture, and sewing. Projects from all art classes were displayed and seniors presented special collections of their work. The Choir performed selections from its spring concert, and the Band also presented a concert. Students from English classes read poetry while students from Art classes demonstrated how many of the projects were made. Refreshments were provided by the Foods classes. Congratulations to all the fine arts students and teachers who worked so hard throughout the year!

The Good News

In its spring production, the Marian Drama Department presented another superb success with its performance of *Godspell*. Audience members were treated to a night of fantastic choreography, interesting costumes, and soulful music with well known songs such as "Day by Day." Under the direction of Mrs. Ashley Bennett, the cast of *Godspell* presented the story of Jesus and His twelve Apostles in a hip, modern adaptation of the well-known Biblical story. Howard Jankowski, as Jesus, provided a sometimes comedic, sometimes serious version of the Biblical Savior. Kudos to everyone who worked so hard to make *Godspell* such a success!

Faraway Places

Sometimes you just need to get away and take a break. Throughout this past year and last summer, several Marian students traveled to foreign countries. Some went as exchange students on extended visits, others traveled for only a couple of weeks. A large group of students traveled to Costa Rica over Christmas break. All in all, students said they had a fun time in their travels and learned a few things too.

Tropical Palm Trees, Beautiful Sunshine

Over Christmas break, a group of Marian students traveled to Costa Rica in South America for a week and a half. The group was led by Mrs. Hernandez and her husband. They spent time exploring the forests and enjoying the palm trees and sunshine and returned with great tans and lots of fun memories.

The Costa Rica Trip Members: Mr. & Mrs. Hernandez & baby, Shannon Bella, Stacy Berger, Stephanie O' Blenis, Brian Burt, Sarah Byron, Nick DeVreese Erin Diffley, Jeanne Fruth, Dom Garascia, Sabrina Jankowski, Ryan Lisenko, Jenny Mathews, Kristen Mitchell-Labno, McKenzie Morin, Travis Moyer, Kelly Nellans, Jen Varga, Lisa Walz.

My Spanish Friend

Elizabeth Holody was chosen for a scholarship to participate in a study abroad program because of her study of Spanish. She spent the summer of 2000 in Spain learning about the people and culture. Elizabeth (left) is shown here with her host sister, Jenna Crane, at La Alhambra in Granada, Spain.

A Pom in Paris

Keri Borek was chosen by the United Dance Association to compete in Paris because of her talent in poms and artistic dance. She spent 2 weeks over Christmas break visiting the City of Lights. Keri, second row, second from the right, is shown here with the members of her team in front of the I. M. Pei sculpture at the Louvre Museum.

My Year Abroad

Libby Sittley spent her junior year, 1999-2000, studying abroad in Venezuela. Libby (far right) is shown here with two of her host sisters. Libby prepared for her year abroad by studying Spanish in school and enjoyed a great year learning about Venezuelan culture and life!

From Rags to Riches

Lights! Camera! Action! For its fall musical, the Drama Department presented the classic story of a poor young girl, *Cinderella*, and her dreams of a different life. Due to many late night practices and overtime put in by the cast and Director Ashley Bennett, the show was a great success. Attendees were provided with a night of beautiful costumes, stellar acting, and great music. Blair Theisen and Howard Jankowski played the starring roles of Cinderella and her Prince Charming. Bob Masters provided comic relief as the King. Congratulations cast and crew of *Cinderella* on a smashing success!

A Rewarding Night

Each year Awards Night recognizes the best and brightest students at Marian. Academic pursuits are highlighted in this special ceremony. Faculty members present awards for outstanding students in each grade level and in each course. Additionally, many special student scholarships and other unique awards are announced. Proud families, friends, and teachers applaud the achievements of these extraordinary students.

Service With a Smile

Seniors were full of extraordinary energy and good will as they visited the St. Joseph Adult Daycare Center as a part of their Senior Service Day. Residents were offered physical assistance, a delicious meal, and musical entertainment. Marian seniors were gratified to find that their smiles and friendly conversation were memorable gifts which they brought to the elderly residents whom they met. Senior Service Day proved that he who serves is also richly rewarded.

Renewing Our Spirit

Thanks to careful planning by Mrs. Miller and the Campus Ministry Office, each class was able to take a renewing and refreshing retreat to a location away from school. The freshman and sophomore classes traveled to the Sacred Heart Retreat Center, where upperclassmen helped out as retreat leaders. The junior class participated in service at various settings in the community. The senior class traveled to Camp Mack overnight for a chance to reflect back on their four years in high school. Overall, the retreats gave students a chance to get away from the monotony of the classroom and take a day to reflect on their lives.

Looking Back Together

For the seniors preparing to graduate, Appreciation Day provided a chance to think back on their four years in high school. The day opened with a mass in the new gym, followed by a breakfast served by senior parents. Students had the opportunity to spend time with their closest friends, reminiscing about the past and dreaming about the future. Seniors closed out the day by taking a trip down memory lane, and viewing the newly completed senior video. Perhaps the idea that they were really leaving began to sink in for the seniors at the end of this day, especially when they received that all important cap and gown.

A Moment of Reverence

At the Baccalaureate mass, seniors paused to reflect on their four years at Marian under God's guidance and protection. Family, friends and teachers joined Bishop John D'Arcy to pray for God's continued blessings on the class of 2001. The special mass at St. Matthew's Cathedral evoked remembrance, reverence, and dedication to Marian ideals.

Opening a New Window

Against the majestic backdrop of the Morris Performing Arts Center, Marian High School celebrated its first graduation ceremony of the new millennium. The Class of 2001 chose Father Michael Heintz as its inspirational keynote speaker. Each graduate placed a rose near pictures of two absent classmates to honor their memory. This solemn yet joyous occasion commemorated one of the greatest Marian classes. Saying goodbye with high hopes and grand memories to sustain them, the seniors looked forward to success and fulfillment. Mingled with their high spirits was a little nostalgia for the four years gone by so quickly. A new world awaited them, and they were ready.

The Elements of Life

Who will ever forget that awful frog we had to dissect in Freshman Biology? Or that Chemistry lab gone very wrong? While some of us may have frightening memories of our science classes, few can deny the importance science will have in the coming years. Students explored fields such as Biology, Chemistry, Physics, Earth Science, Environmental Science, and Anatomy. As many Marian students plan to enter science-related fields, they will find the concepts they learned in high school to be continually relevant.

It All Adds Up

Although many students will question the relevance of the mathematics they learn in school to their daily lives, few can discount its importance to modern society. Mathematical principles have allowed us to fly airplanes, use computers, and even build a better mousetrap. From the basics of algebra, to advanced math like calculus, the Mathematics Department gave students a strong understanding of important concepts. While some students may take few math classes ever again, they won't forget the never ending theorems they memorized in geometry or the many angles they calculated in trigonometry.

Faith-filled Hearts and Hands

While some may try, none can deny the influence of faith in our lives. The Theology Department took on the crucial task of educating hearts and minds by teaching Catholic tradition. Freshmen received an introduction to theology as sophomores looked at scripture in depth. Juniors learned about justice and peace while seniors studied the sacraments. The Theology Department also helped students put their faith into action, sponsoring food drives and money collections for needy families. In the end, students found that faith and good works were key aspects for living.

What Did You Say?

Although many Marian students may never travel beyond the boundaries of the 50 states, those in Foreign Language classes were given a chance to taste the culture of another country. Students studied the French, German, Spanish, and Latin languages and learned a few things about their country's culture as well. In an increasingly multicultural nation, these language skills gained will serve students well in their future careers, and perhaps even during that trip abroad.

Mastering the Whys and Wherefores

At the time, sophomore term papers and junior comp. essays seemed unbearable. However, with tasks such as these, the English Department gave students a strong foundation in writing and literature. Freshman students brushed up on the basics of grammar and writing. The sophomores agonized over those term papers, and the juniors turned out mass quantities of five paragraph essays. Seniors griped about the frustration of writing tests in blue books and stayed up late to finish their semester papers. In the end, students had a greater ability to express themselves that would carry over into all areas of learning.

Fine Arts Cultivate Sensibilities

From display cases in the halls to new display boards in the library, the Art Department has turned the school into a veritable gallery filled with colors, shapes, and textures in a variety of artistic media. Photographs, sculptures, pottery, silk-screened prints, paintings, and weavings were only a few of the myriad offerings of the art classes. The dazzling array of artistic expressions was a testament to the creative vision and skilled instruction provided by Marian's art teachers.

Marian's Music Department added just the right notes with the spirited band performances and the choral performances such as the Spring Show Choir Spectacular. With the talented leadership of our choir and band directors, the melody lingers on to instruct and inspire.

Consumer Savvy

The delicious smells were always wafting across the hall during passing periods, a sure sign that home economics students were cooking up something wonderful. Sewing classes also created fun and useful projects such as quilts, pillows, boxer shorts, and dresses. With classes such as these, the Family and Consumer Science Department gave students a good introduction to the skills needed for modern living. After all, what students didn't eye those freshly baked cookies longingly and wish they had room in their schedule for such a fun class?

The Importance of a Sound Body

While most other subjects tried to ingrain ideas into our heads, the Health and Physical Education Department focused on the actual person. Health classes taught students about proper nutrition, exercise, and mental health. In Physical Education, students engaged in traditional sports such as soccer and basketball, and dabbled in less traditional ones such as dance, table tennis, and floor hockey. P. E. classes gave students the chance to get out of their desks, to stretch the capabilities of their bodies, and to learn about their well-being, too.

The World in Our Hands

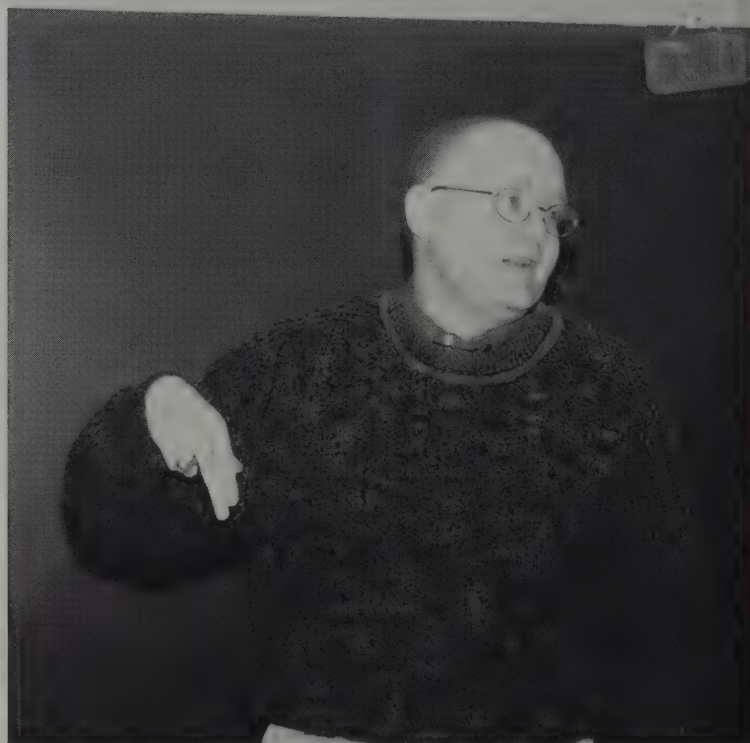

While students may recall little about the American Civil War, they might recall when the first shopping mall was built--1921. However, no one will forget the bizarre circumstances of the last presidential election, no doubt a history-making event. Teachers capitalized on this event to provide a valuable civics lesson to students. Many areas such as political parties, the national economy, and integrity in government were discussed. Students also studied other topics such as geography, sociology, and psychology. All in all, everyone learned much about people and their societal organizations..

Online and On Task

In a world where the phrases "Internet start-ups" and "MBA degree" are household words, business and computer classes prove to be extremely relevant to modern life. The Computer Science and Business Department gave students good fundamentals such as keyboarding, word processing, balancing a checkbook, understanding accounting principles, and even web page designing. Whatever students' future careers may hold, these computer and business skills will be beneficial in any field.

Ministering to Many Needs

At the core of Marian High School is our Catholic identity. The Campus Ministry Department, headed by Mrs. Carol Miller, exists to enhance and celebrate that identity in so many ways. Eucharistic ministers, servers, ushers, and lectors were trained, masses and other liturgies were planned and prepared, retreats were conducted, and even personal counseling was provided by this essential department. From inspiring music to beautiful decorations, Mrs. Miller, Sister Hilaria Held, Mr. Higginbotham, Father Derrick Sneyd, groups of dedicated students and faculty, and numerous others combined their talents to enrich the faith life of our school.

Faith in Action

The Fellowship of Catholic Athletes is a new club which brings its goodwill message to Marian for the 2000-2001 school year. Mirroring the Fellowship of Christian Athletes which many public schools have, Marian's own FCA was very active this year. The FCA sponsored a "Catholic Athlete Night" in which local Catholic grade schools were invited to be the guest of the Knights as they took on cross-town Catholic rival St. Joe this year in football. The club also planned a "Catholic Athlete Day" in which Catholic grade schoolers were presented with a hands-on introduction to athletics at Marian. The goal of the FCA is to spread the message of Christ in the field of athletics through fair-play and good-natured competition. This year's founding officers were Co-Presidents Bob Masters and Lindsay Wanecke, Vice-President Kristen Pyszka, Secretary/PR Representative Dustin Stender, and Recruiter Dave Lindley.

In early March, 15 Marian students competed in the Northern Indiana Regional Science Fair at the University of Notre Dame. The fair was a great success and reward for all those long hours of research. Winning individual awards were: Kelly Gallagher, Clare Baker, Erin Diffley, Ron Whiteford, Rebecca Spohrer, Teresa Fralish, Lauren Pyszka, Reid Merryman, Zack Mathis, and Nathan Hoff. Kelly Gallagher was chosen to continue to the State Fair in Indianapolis. Congratulations to all who competed at the Fair!

This year's Science Olympiad was a great success. The team traveled to the Regional Competition at Ball State University to participate in events dealing with topics such as physics, chemistry, ecology, and many others. At the competition, team members won many individual awards and the team as a whole advanced to the State Competition for the first time ever!

Service, Leadership, Character

This group of committed and caring students was led by officers Lauren Flynn, Katie Behr, Andy Callan, and Kristen Pyszka. National Honors Society kicked the year off by initiating a new group of junior members in November. Each month members of the club gathered to play bingo with the Sisters of St. Francis. Members also served through tutoring in the school and community and by Salvation Army bell ringing at Christmas time. Likewise, the club participated in organizing the Open House in the spring. Congratulations to NHS on a great year of service and leadership!

Trivia was anything but trivial to the members of Marian's Quiz Bowl teams. With only two seniors, Co-Captains Andy Callan and Michael Clements, providing leadership, this proved to be a building year. The teams gained poise and confidence as they added weekly to their store of facts and figures. When all else failed, the favorite guess, "Keats!" was sure to elicit smiles.

Artistic Knights

With lots of talent and spunk, the Art Club was active in a variety of areas, especially service. Art Club members raised \$5000 for the Marian-St. Joe Auction by contributing a beautiful set of handpainted chairs and table. The club also sponsored a Santa's Workshop for children at the South Bend Homeless Center and provided the kids with much hope for the holiday season. Members also traveled to the Art Institute in Chicago for an informative and enjoyable field trip. In large part due to energetic moderator Mrs. Gunty, the Art Club sponsored many events and had tons of fun.

Leading the way

When a controversy erupted or a problem arose, the Student Council was ready with ideas, suggestions, and plans for a better Marian. The administration looked to the Student Council members for support and leadership on issues such as dress code and student behavior. By listening to and representing their classmates' concerns, the Student Council gave all students a voice in the life of their school.

This year's French Club was led by Moderator Mrs. McKenna and officers Travis Moyer, Angie Klocke, Mia Novak, and Meghan Elliott. Members of the club participated in service at the Homeless Center and sponsored a Christmas party. In the spring, the club sponsored a Mardi Gras party to celebrate the day before Lent and took a field trip to a French restaurant in Chicago. French club members had a very active and busy year!

Sponsored by Mrs. Cunniff, the German Club was busy with many activities throughout the year. Selling chocolate Christmas suckers, the students raised approximately \$200 which they donated to a textbook fund for financially needy schoolmates. Festive occasions included a German meal at Berghof's and a visit to the Art Institute in Chicago as well as a German folk music program at the Century Center. A summer trip to Switzerland made a perfect school year's end for some of these German devotees as they practiced their language skills and climbed the scenic mountain peaks.

Que Pasa?

This year's Spanish Club was led by President Donna Bauters, Vice-President Erin McPhilamy, Treasurer Ryan Brady, and Secretary Lindsey Walz. The Spanish Club, sponsored by Mrs. Lindborg, organized several fiestas throughout the year and attended a Spanish language mass at St. Stephen's Parish in South Bend. At Christmas time, members wrapped gifts for a needy Spanish family. The club also took a field trip to Don Quixote in Valparaiso, an authentic Spanish restaurant complete with dancing. The Spanish Club had a busy and exciting year of language and culture!

This year's Latin Club was led by President Kristen Pyszka, Vice-President Dan Woodka, Treasurer Nick Simon, and Secretary John Masters. The Latin Club sponsored a fall pizza party to hold officer elections and made plans to paint a mural of Latin images and pictures on the back wall of the Latin classroom. Mrs. Andrea Salgado advised the Latin Club this year.

Wise Beyond Their Years

Students Against Destructive Decisions, known by the acronym SADD, were doing all they could to make sad occasions a rarity for their fellow students. By sponsoring Prom Promise and helping the Concerned Parents with after prom, SADD members hoped to encourage thoughtful and mature behavior. Their distribution of red ribbons at Christmastime also had the purpose of reminding students to make good choices. SADD members appreciated the help of their sponsor Mrs. Beth Robinson.

Energy to Spare

The Pep Club helped to plan assemblies and generally boosted the spirits of the student body before games and in celebration of athletic achievements with the help of Mrs. Heidi Knepp, sponsor. These students were willing to share their enthusiasm with their classmates in order to highlight the positive aspects of being a proud Marian Knight.

Show Choir Spectacular

This year's choir was one of the largest ever, with around 40 students participating. Under the direction of Mr. Larry Howell, the once traditional choir became a fun and energized show choir called the MK Sound System. The choir presented a winter Christmas concert of Christmas medleys with fun choreography and catchy tunes. In the spring the show choir performed at the Fine Arts Night and presented its first annual "Spectacular" spring concert to close out the year. The choir got the whole school involved by holding a ticket selling competition for a pizza party prize to generate interest. Congratulations to the Marian Choir for a great year of music and song!

Once again this year, students attending sports games were able to hear a real band perform the school song instead of a recording. Led by Director Mike Petersen, the band was small in number, but large in spirit. The student body, especially the senior class, really got behind the fledgling band and kept it well on its way to once again becoming a Marian tradition. The band performed at football and boys' and girls' basketball games and also presented a Christmas concert. The band closed out the year with its spring concert at the Fine Arts Night and with a performance at graduation. Good luck next year Mr. Petersen and band!

Shining Through

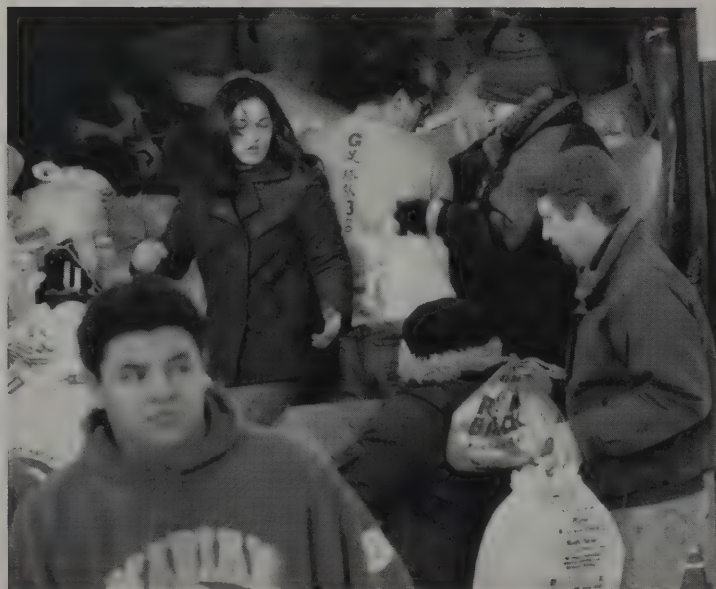

The STARS club organized many helpful activities throughout the year. At Christmas time they sponsored a Stuff the Truck event that encouraged students to bring in a bag of supplies for the St. Vincent de Paul Society, truly demonstrating the Marian Spirit of generosity at this special time of year. STARS also sponsored many families in need by holding dress down days and collecting food and household items. Members also helped organize several Spirit Week events, such as Knights for a Day, a raffle, and a penny auction. Through activities such as these, STARS helped to make the school and community a little better for everyone.

State Your Case

Throughout last fall, winter, and early spring, Marian Mock Trial teams worked hard to prepare their cases. Budding lawyers worked on their arguments while those assigned the role of witness practiced their presentations as well. On February 4th teams traveled to the Regional Competition at the St. Joseph County Courthouse to present their cases. This year's case dealt with peer influence and teen relationships. Coached by Mr. Sean Newcombe, the teams did very well, with one team placing 7th overall and another placing in the group of teams designated as outstanding. Kudos to Carly Vandewalle for her award as Best Attorney and to Blake Taelman for his award as Best Witness! Though Mock Trial members invested long hours and lots of hard work, they definitely felt the effort was worthwhile.

The Write Stuff

The Lance newspaper produced four quarterly editions for the student body. Because the newspaper was a co-curricular activity, the students confronted the challenge of doing all their reporting, writing, formatting, proofreading and final editing before and after school hours. Led by Editor Tom Rippinger, Features Editor Jason Cytacki, and Moderator Mrs. Conn, *The Lance* provided information on sports teams, extracurricular activities, school events, and interesting feature articles. The last issue released was a tribute to the Class of 2001, complete with senior baby pictures and plans for after graduation.

Makers of Madrigal Memories

Few students will ever realize the enormous amount of time and effort that went into the book you now hold in your hands. Work began last summer when members attended a weekend camp to choose the yearbook theme and start work on the cover. Hundreds of pictures had to be taken, sorted, and identified. Then each photograph had to be specially marked and given a caption. All the articles had to be written and checked for errors. Each page was designed and completed and every name had to be highlighted and indexed. With 160 pages, about five pictures per page, and around four people in each picture, that's about 3,200 names! By the end of the year, and after many late nights and much overtime, another *Madrigal* volume was created. What you now hold in your hands is the beautiful finished product! Appreciate and enjoy!

curtain call

Acting, singing, dancing, and staging a variety of productions during the school year, the members of the Thespian Society indulged their passion for performance. The Thespian Troupe is a select group of Marian's finest student theater enthusiasts who have met the requirements for initiation into the National Thespian Society. In addition to the regular drama productions, the Thespians organized and presented a Broadway Revue with the continued help of Drama director and Thespian sponsor, Mrs. Ashley Bennett. Selections from *Beauty and the Beast*, *Cabaret*, *Bye Bye Birdie*, and *The Sound of Music* were some of the great showstoppers in the revue. Congratulations to Howard Jankowski and Katie Behr, this year's Senior Thespians of the Year, and to Jessica Johnson, this year's All Around Thespian winner!

700,000 and counting

Those annoying pop tabs have found a new purpose thanks to the diligent efforts of the Junior Civitans who have collected a staggering 700,000 of the silvery bits and were working toward a goal of one million! Ronald McDonald House was the worthy beneficiary of this pop tab drive. In addition, Junior Civitans participated in the Crop Walk for the hungry, and spearheaded a gift lift, bringing Christmas cheer to the mentally ill in St. Joseph County. Habitat for Humanity learned that Junior Civitans have strong hands as well as strong hearts when members helped to lay sub floors, build walls, and put down sod for Habitat houses. Led by Mrs. Vicki Schwab, Junior Civitans demonstrated extraordinary caring for the whole community. Good luck with reaching that million pop tab goal next year!

Making the Goal

Congratulations to the Lady Knights who finished their most successful season ever! The team was the Sectional and Regional Champions with a final record of 17-1-1. One top player was Carrie Dvorak, who earned 1st Team District 2 honors and was an All-State Candidate. The top scorer for the team was District 2 Honorable Mention selection Noel Ware with a season total of 48 goals. The girls beat rival teams Penn and Adams and beat St. Joseph for the first time ever! Congratulations girls on an amazing season!

Smashing!

The 2000 Boys' Tennis Team overcame many obstacles to finish with a tremendous record of 11-3. The Knights played with zero seniors and lost four top players last year. Despite these set backs, the tennis won their third consecutive Sectional Championship. Most Valuable honors went to the number 1 doubles Mitch Mathews and Kevin Stanley. The awesome play of Mathews and Stanley earned them spots on the 1st Team All-District and 1st Team All-State. Superb performance, guys! Congratulations!

Net Life

Coach Aldridge's rookie season as head coach proved to be successful with the help of four senior returning letterwinners: Maggie Bussmann, Meredith Molnar, Katherine Rey and second-year captain Kristen Pyszka. The junior doubles combination of Meghan Krause and Katie Haizlip added more depth. Talented freshmen Colleen Beeler and Nicole Marnocha showed what the future has to offer by earning Co-MVP honors. Down the Trail

The Boys' Cross Country team had a very successful season with a final record of 11-4. The boys' team finished fourth place at the Sectionals, giving them a spot in the regional competition. The team was led by seniors Anthony Bruno, Collin Hanson, Travis Moyer, and Michael Clements. Congrats go out to Travis Moyer, first place Sectional Champ, State Qualifier, and All-State runner. Great job Knights, "running the good race" all season!

Around the Corner

2000 was a building year for the Lady Knights. Due to injuries, the team had difficulty competing at its best. Led by seniors Lauren Kofeldt and Angie Klocke, the team gave its all and had fun as well. One highlight of the season was Kelly Fransted's new school record, better by .16 seconds than the old. With many young players expected to return, 2001 looks to be a promising one for the Lady Knights.

Pep in Their Step

2001 was a stellar year for the Poms. Near miss losses in the city and national competitions last year left a hunger for victory in the team. The varsity squad's hard work and determination finally paid off when the team earned first place in the city competition as well as a trophy for their dance routine at Valparaiso. Seniors Aimee Micola and Keri Borek were selected as All-Star team members. Keri also performed in Paris as part of the All-Star team. Congrats on a super season, girls!

Cheers To You

The Marian Cheerleading Squads have a difficult job performing during two seasons, football and basketball. Often fighting for floor space and for attention, the girls work hard wherever they can and for however much fan appreciation they can get. Their hard work does not go unnoticed even though seemingly there is something always going on behind them that distracts from their high energy cheers. Thanks girls for peppy, smiling, and sometimes dangerous actions. Great job in Florida representing our school! Go Knights!

Drive the Lane

2001 was a building year for Knights' Basketball. The boys' team finished with a record of 12-10 and, in a bright spot, repeated as the winners of the Mishawaka Holiday Tournament. The team was composed of mostly juniors who were able to gain valuable playing time and experience. The only senior, Collin Hanson, left a legacy of hard work and determination to his fellow juniors. Next year looks to be a great success, with this year's MVPs Andy Blum and Geoff Dillon leading the way.

Shoot and Score

The Lady Knights also had a building year, but played good basketball and had fun. Standouts on this hard-working team included seniors Noel Ware and Emily Creachbaum, who provided leadership and support for the team. Congrats to Emily Creachbaum, MVP and All Metro Team member, for scoring the most points in a game and most career points. Freshman Emily Williams made her presence known by blocking a record 118 shots and will look to be a star player on next year's team.

At the end of last year's State-Runner-up finish, those returning wanted to settle business by visiting Noblesville again for a shot at the State Championship. With 34 wins under their belts, the 2000 team found themselves back in the State Finals. They came up a little short, but set a school record for wins. Congrats, Lady Knights, on a great season!

Erin McPhilamy, Candace Doriot, Lauren Pyszka, and Jenny Korzan placed first in the 200 medley relay and qualified for the state meet. Full Count

The 2000-01 season had its share of ups and downs. After graduating ten seniors the year before, many fresh faces were forced to step up to the challenge of filling many vacancies. Most notably, senior transfers, Perry Shearer and Mike Welsch, performed in key positions both on offense and defense. The third senior, Brian Kronewitter, helped solidify a pitching staff that lost both top hurlers. With a final record of 15-15, the Knights experienced some success and learned what will need to be improved upon for next year's campaign.

Winning Ways

Coach George Grenert has made a habit of producing tough, winning softball teams in 12 years at the helm. This year was no exception. Led by seniors Molly Berry, Keri Borek, Joanna Dierbeck, and Heather Baney, the Knights racked up the wins. With junior 2nd Team All-State shortstop phenomenon Katie Krisch sparking the offense and patrolling the 6 spot on D, the Knights knocked off plenty of tough competition. Strong play from seasoned players such as Jess Lamberson and Mary Ann Barrett rounded out a solid club. Upcoming talented freshmen Cameo Piraccini, Shawnetta Schock, and Michele Barany will further Grenert's winning habits

Definitely On the RightTrack. . .

The Marian Knights 2000 Boys' and Girls' Track Teams once again made their season a day at the races. Lots of highlights and successes abounded this season. The 4X800 relay team qualified for the sectional as did Lauren Kofeldt in the high jump and Megan Bormann in the long jump. Travis Moyer ran away from many of his foes on his way to placing 20th in the state in the 2 mile race and 13th in the 1 mile. A wealth of upcoming talent makes Coach Jason Smith smile with anticipation. Losing MVP's Moyer and Erin McPhilamy will be tough, but with award winners like Sarah Taylor, Joe Martin, and Megan Bormann returning, reloading will be easy.

2001 A Championship Season

What a tremendous season! Absolutely nothing could be better in high school golf in Indiana. And absolutely nobody is better, not even close. The 2001 Marian Knights' Golf Team not only beat the entire state in team golf, which is NOT a class sport, but they shattered the state record by 10 strokes. One can not grasp the feat that this very talented team, this solid fivesome accomplished. Congratulations to the MVP's, all five of them, seniors DJ Fitzpatrick and David Lindley, juniors Daniel Klauer and Steve Cashore, and sophomore Cole Isban. Thanks for bringing back the chalice Marian has quested after since the mid-70's.

Man to Man

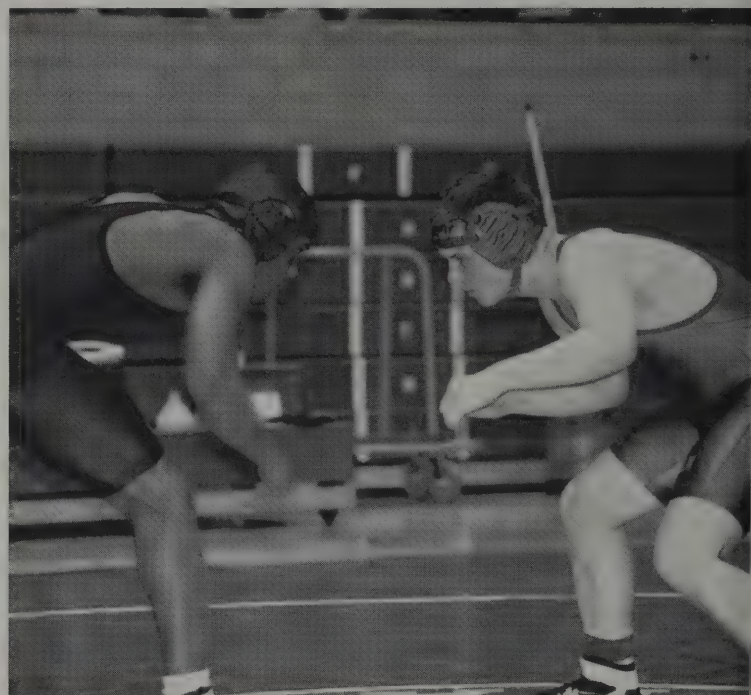

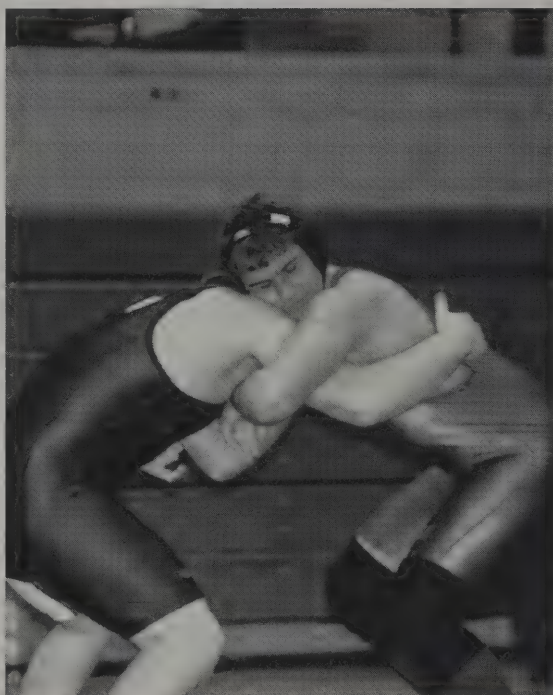

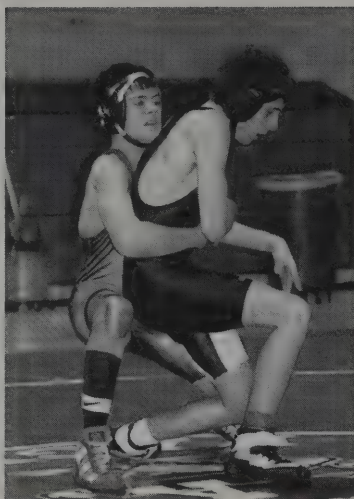

The 2000-2001 Marian Knights Wrestling squad grappled with many opponents besides the schools on the other side of the mat. Starting the season with a new coach, losing many seniors to graduation, and experiencing low numbers of participation appeared to be large obstacles. Coach Chad Walther, however, stood undaunted and led his young, inexperienced group through a difficult year. Next year will be different, vowed Coach Walther, because the attitudes of the young wrestlers were tremendous. A year under the players' belts will prove beneficial as these Marian wrestlers will return stronger, faster, and hungrier.

Rugged Ruggers

Marian's Rugby team moved to Division I this year and consequently had a rough beginning. However, by the end of the season, the team was playing its best rugby. Evidence of this improvement could be found in the team's extremely competitive match with the eventual state champions. Led by MVP's Pietro Siciliano and Max Asterlin, the ruggers valiantly faced the tough challenges. Carl Young was the recipient of the Mental Attitude award for his team spirit contributions. Though the team's record was a somewhat disappointing 2-5, Coach Larry Daher looked forward to continued improvement next year.

Gladiators of the Gridiron

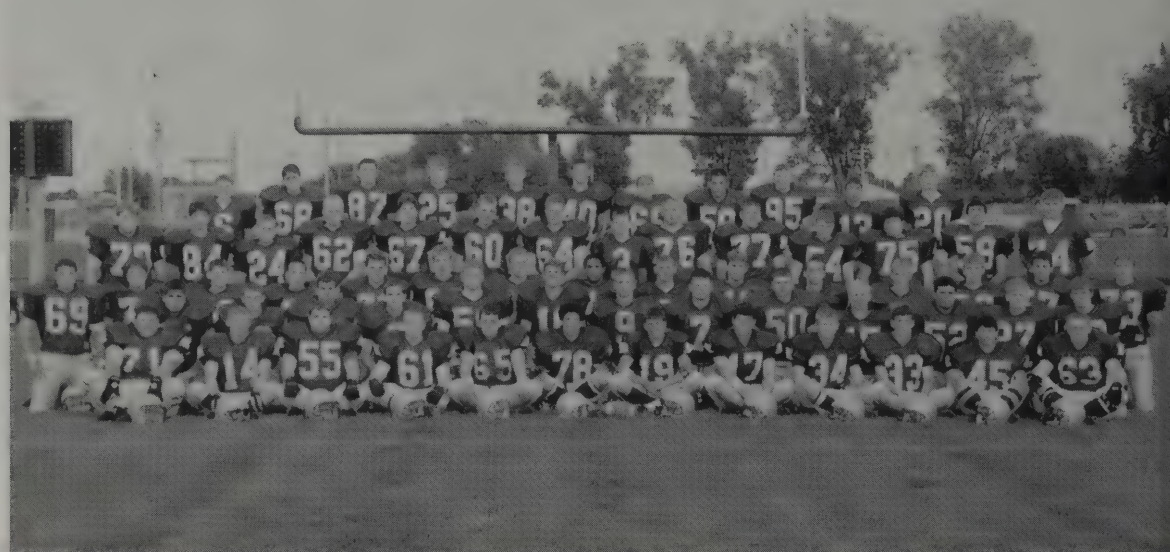

The 2000 Marian Knights Football team provided many exciting Friday nights for its fans. With another winning record of 6-5, the Knights were re-establishing the football dynasty that it proudly claimed in days of yore when even the mighty Penn Kingsmen cowered at the sight of the menacing Royal and Silver. Leading the charge on the offensive side of the ball, Rocco DeCicco racked up yards like a tally-man counting bananas. Defensively, Josh Hackett provided the bone jarring, helmet smacking, earth quaking hits, most of them legal, that ball carriers feared. Four year kicking star, DJ Fitzpatrick, broke his own records of most PAT's, most Field Goals, and Longest Field Goal. Congratulations pigskin pals.

cold shoulders!

The Marian Knights Hockey club had a goal of returning to the state finals for a third straight year. However, this year they must repeat in a higher level of competition. The Knights battled to a State Runner-up finish in a tougher field of play from last year's successful season. Solid senior leadership from Ben Brasseur, Ryan Lisenko, Justin Zemo, and Craig Kelbel boosted the team up to the challenge. Junior standouts Drew Stoner, Mark Rykovich, and Dan Woodka helped form the formidable Knight squad. Much talent returns for next season's team with likewise lofty goals.

Anything But Par

The 2000 Marian Girls' Golf Team finished with a 13-9 record, another winning season. Five seniors led the squad including MVP Kelly Gallagher. Katie Behr, Kelly Krizman, Steph McNamara, and Krissy Strom provided strong leadership and leave big golf shoes to fill. Most Improved Player, Sarah Mullin, a sophomore, gives hope to next year's team as do six other returning golfers, including solid player Jenny Nugent. staying the Course

Happily moving a step ahead of the inexperienced freshmen yet still admiring the upperclassmen, the sophomores found themselves in the Marian middle. Sophomore year was a time to find a balance among new activities, clubs, sports and academic challenges. Many late nights were spent on that first mind-boggling research paper for English class. Steady growth and satisfying moments filled this important year.

Waiting in the Wings

The class of 2002 was a class on the cusp, its members preparing to assume the mantle of senior leadership. They began to think about applying to college and realized that high school was fading fast. In truth, with two years under their belts, the juniors were busy in all areas of school life and were making significant contributions. Grappling with enormous projects like science research papers and prom planning, these upperclassmen felt the power and responsibility of their position. Maturation from sophomore to junior year was evident, and fun was a top priority.

Looking Forward to New Dreams

It's hard to believe four years of high school have gone this quickly. It was an exciting year--first the challenge of choosing which colleges to apply to, and then the anxious wait until those letters hit our doorstep. We may not all have been satisfied, but we accepted things and moved on. We enjoyed being the captains of sports teams, or the presidents of clubs, and having every one else look up to us. Looking back, each senior will have some good times and great memories to cherish. Although our time in high school was short, it was the start of many more challenging and exciting times to come.

First, thank you to Kara Flynn, my Co-Editor, for the creative ideas, the many pictures you donated, and the energy and the enthusiasm you put into this yearbook. You were the first one to volunteer your help so willingly this year-with little idea of what you were getting into!

Thank you so much to Mia Novak, for the beautiful photographs you took and the time and energy you gave. I hope you had as much fun as I did working with you.

Thank you to Mrs. Conn, for stepping in at the end to help me out at the end of the year. This book would be half empty if it weren't for you. I wish you the best of luck for next year!

A million thanks to the Class of 2001 for all the patience and help you offered me. Everytime I changed a deadline on you, or responded to your question with a bland, "I don't know," you were never frustrated and had faith in me. Thank you, thank you, thank you for all the pictures everyone donated-many of these pages would have been blank without them! This yearbook is yours most of all, and although I realize it has many shortcomings, I hope this book will help you look back on your senior year with a smile.

Last but not least, thank you to Mary Ann Barrett. Thank you for not laughing in my face when I asked you so late in the year to serve as next year's editor! You can have no idea of what you are getting into---always remember to have fun, even in the most frustrating of times.

Finally, since this book is full of more quotes than anyone will probably read, I will offer a few more of my favorites,

Signing off,
Teresa Fralish

An over zealous reporter once asked Mohandas Gandhi, "Mr. Gandhi, what do you think of modern civilization?"

Gandhi replied, "That would be a good idea."
